ELECTION OF NON-STACKED COVERAGE

(Do not complete if you have rejected Uninsured Motorist Coverage)

You have the option to purchase, at a reduced rate, a non-stacked (limited) type of Uninsured Motorist coverage. Under this form, if injury occurs in a vehicle owned or leased by you or any family member who resides with you, this policy will apply only to the extent of coverage (if any) which applies to that vehicle in this policy. If any injury occurs while occupying someone else’s vehicle or you are struck as a pedestrian, you are entitled to select the highest limits of Uninsured Motorist Coverage available on any one vehicle for which you are a named insured, insured family member, or insured resident of the named insured's household. This policy will not apply if you select the coverage available under any other policy issued to you or the policy of any other family member who resides with you. If you do not elect to purchase the non-stacked form, your policy limit(s) for each motor vehicle are added together (stacked) for all covered injuries. Thus, your policy limits would automatically change during the policy term if you increase or decrease the number of autos covered under the policy.

☐ I hereby elect the non-stacked form of Uninsured Motorist Coverage.

I understand and agree to the selection of any of the above options to my liability insurance policy, future renewals, reinstatements or replacements of such policy which are issued at the same Bodily Injury Liability limits. If I decide to select another option at some future time, I must tell the Company or my agent in writing.
